

## THE EMPLOYMENT LINKED SKILLS BASED PROGRAM (ELSP)

The Employment Linked Skills Based Program (ELSP) is India's first ever finishing skills training program with placement assurance, created and offered by Schoolguru in partnership with Skillworld. ELSP is available on the lurningo website. This Program is designed to ensure that the students not only receive the theoretical training but also gain hands-on experience in the industry where they can apply their learning.

### ELIGIBILITY

All the students who are currently pursuing degree are eligible to register for ELSP.

### FEE

**The Registration fee for the program is Rs. 100/- Upon Registration, the student gets enrolled into the program and can start learning. The Course Fee for ELSP is Rs 3000/- However, the Program is offered for free to all the students w.e.f. 1<sup>st</sup> Jan 2017 for a limited period.**

### PROCESS

- The ELSP will consist of **Three** training modules
  - Communication Skills
  - Sales Skills
  - Data Skills
- The student needs to complete the first three modules within the duration of one month.
- When the student clears the three modules, he then gets the opportunity to pursue a two months Internship, which would include field work and On-the-Job Training.
- The students will be provided a stipend during the internship period
- Upon successful completion of the Internship period, the student will be awarded a Silver Certificate, followed by Placement Opportunities.
- Schoolguru staffing partners will counsel the students and provide him with **two interview opportunities**; however, it is up to the student's academic performance and credibility to secure the right placement.

### PLACEMENT

At ELSP, the student will learn the job-ready skills relevant to the current industry demands. The Field Assignments may be related to various industry segments like BFSI, Retail, Logistics, e-Commerce etc. Placement will be offered in leading Tier 1 and Tier 2 Cities. The job offered will be based on one's qualification and experience and the compensation will be as per the industry standards. The students will learn the job-ready skills relevant to the current industry standards. This work experience will be an added advantage to secure the right job.
